Te'mexw Treaty Association Congratulates Kitselas First Nation on Historic Treaty and Constitution Ratification

The Te'mexw Treaty Association (TTA) extends its warmest congratulations to Kitselas First Nation on the successful ratification of their Treaty and Constitution on April 10, 2025.

With an impressive 96.4% voter turnout, 85% voted in favor of the Treaty and 81% in favor of the Constitution — a powerful demonstration of community unity and determination.

This vote marks a major milestone for Kitselas after more than 30 years in the treaty process. As a proud partner in the treaty-making journey, TTA stands in solidarity with Kitselas First Nation and celebrates this achievement alongside them. Their success is a testament to the strength and resilience of Nations across the region who continue to lead the path toward self-government and self-determination.
